

RUSSIAN RIVER VINEYARDS

Product Information

2017 Petite Sirah, Wedge Family Vineyards

Description

This Petite Sirah is sourced from the Wedge Family Vineyard, which consists of volcanic ash soils that add a minerality and unique depth to the wine. Petite Sirah is known for being a bold and complex varietal with plenty of backbone. This wine fits the bill perfectly, with its lush tannins and deep, rich character. There are smokey aromas from the American Oak barrels with hints of warm spices like clove and cinnamon. The palate has round and softer tannins with the acid of the Petite Sirah lingering.

Appellation

Fountain Grove District

Farming technique & maintenance

Cordon spur trained
